

# British Values

Throughout the school we promote the values of tolerance, respect and responsibilities amongst others, helping to prepare our children for life in modern Britain. On this page you can read more about some of the ways we do this.

We regularly use the British Values hand to identify which value we are discussing in assemblies

## Tolerance of Other Faiths and Beliefs

We have close links to the local churches; have daily Collective Worships which explain Christian festivals as well as significant events in the years of other faiths. We also donate shoeboxes every year for the New Baptist's Romania Shoebox appeal along with other local schools and have raised money for local cancer charities and national and international charities.

Every year we donate 20-30 boxes to support Romanian families.

For Sports Relief the children raised money for a Ghanaian school. The Headteacher visited the school whilst on a trip to England and the children presented Pastor Osmond with a cheque.

## **Individual Responsibility and Liberty**

We give our pupils a range of responsibilities and jobs around school from personal responsibilities like remembering to bring in homework, reading books and PE kits through to classroom responsibilities and whole-school responsibilities like helping with school dinners and our KS2 children helping the children on our EY/KS1 children. The sports leaders run PE sessions and children are trained annually as play leaders. KS2 child run their own businesses annually and make money for the school and/or charities.

Throughout the year, we encourage the children to use the local facilities and get involved in local activities, including promoting sports events and courses (e.g. Darlington Rugby, Richmond hockey, netball, rugby and football clubs and Richmond Cricket Club) and using facilities like the Northallerton library through the summer reading challenges. During Summer 2016, we celebrated the Queen's 90th birthday with a series of events and work in class.

Queen's 90<sup>th</sup> birthday tea party organised by the KS2 children

## **Democracy**

The children vote for the school council representatives every term. They are also involved in a biannual debate at Northallerton Chambers. The classes regularly vote on issues involving school. Recently we voted on Britain in Europe and the leave campaign won by 1 vote!

Children listening to presentations and then voting on whether sugar is bad for us?

## **Mutual Respect and rule of law**

We promote mutual respect for others throughout everything we do in and out of school, including: a range of visitors to school sharing their experiences such as firefighters and paramedics; daily collective worship

and quiet reflection time; a consistent school behaviour policy including merits reward system; a Code of Conduct for our sports teams and welcoming parents to our school for regular open afternoons.

**There are many more examples of how we promote  
British Values in the Gallery Section of our  
website**
