Sports day

A huge thank you to all who supported our sports day on Tuesday. What a fantastic turnout on a perfect day weather-wise. The children really got into the spirit of the event and gave it their all. Well done to all the teams, in particular the victorious reds!

Mini-businesses

Another fantastic effort from the junior children with their mini-business ventures. They all drew up a business plan & designed a poster for a product with a recycling theme. They came up with some amazing ideas and then put these into practice by actually making their products and selling them to parents and friends.

Sun hats

A reminder that children should have a sun hat in school with them at all times.

Year 6 Surprise

Mr Watson & Mrs Morrice accompanied the children on their "surprise" visit to Lightwater Valley Theme Park on Monday. The children had no idea where they were going as they were asked to bring waders and a net curtain!! Other false information was given to them regarding a train ride from Northallerton station!! They were all pleased with the decision to go to a theme park and had a thoroughly enjoyable time.

Communications

Please make sure you read the newsletter as there is lots of information on it, in particular regarding events and timings. Every family is given a paper copy and every parent is e-mailed a copy. There is also a copy on each school noticeboard. Some parents are not seeing key information and so their children are missing events. We do also send regular reminders by text.

KS1 Fun Run

All the infant children are taking part in a fun run at Richmond School next Tuesday, in school time. They should come to school in their PE kits so they are ready to go at 9.30am.

Residential trip

A reminder that the junior residential trip is fast approaching. We would like this paid for on-line by Monday 16th July. Thank you.
