Signed reading records Monday (years 4,5 & 6).

Waterproof coat every day

AWARDS

Achievers: Isaac T & Callum

Plus all of KS1 & all year 3 children for exceptional effort at the Harvest Festival

World Mental Health Day

A huge thank you to all who came to school in non-uniform on Wednesday, and donated money to raise awareness of mental health issues. The school raised £37.00.

School trip

On Monday 15th October, the whole school will be visiting Alnwick Castle, as part of their topic work in school. The on-line payments system has been set up so that voluntary contributions of £7.00 per child can be paid on-line.

Netball competition

Well done to the netball team who took part in a Hi 5 tournament this week, at Richmond School. We have had very little, if any, practice at netball but Mrs Morrice has been working hard with the team, going through the rules and regulations to get them up to speed. They played extremely well and even managed a goal.

School photographs

On Friday 26th October we will have a photographer in school doing individual photographs of the children. If your child has a younger sibling not yet at school and you would like them to be on the photographs, please arrive at the dining hall at 8.40am.

School Games Medal Competition

North Yorkshire Sport is running a competition to design a sports medal. The competition is open to pupils under 14 years old, who attend a school in North Yorkshire. The winning entry will be made into an actual medal which will be worn by all winning athletes of the North Yorkshire Sport School Games during the 2018/19 season. Competition winners will receive an honorary medal, a Kindle Fire and VIP entry to the North Yorkshire School Games on 7th July 2019, at St Margaret's School, Escrick. Entry forms are attached to this newsletter.

Dance after school club – Monday 15th October ONLY

The dance after school club next Monday will run from 4.30pm – 5.30pm, due to the late arrival time back from Alnwick Castle. All parents were sent a text about this on Monday. Those who attend this after school club are performing for parents and the rest of the school at the Village Hall on Monday 22nd October at 3pm. All are welcome to attend.

Cross Country

The juniors will be competing in a cross country event at Richmond School on Friday 19th October. Please see letter attached.

Firefighters Collection

We will once again be having a collection of unwanted clothing etc. for the Firefighters Collection, on Tuesday 23rd October. Bags can be left outside North building from 8am onwards – they are being collected at 9am.

Crucial Crew

The year 6 children will be attending Crucial Crew at RAF Leeming on Tuesday 23rd October. This is a session where representatives of organisations such as Fire Brigade, Coastguard, Electricity Board etc. demonstrate scenarios to teach the children about dangers they may encounter in life and how to stay safe. It is very informative and does get the children thinking.

Request from Mrs Sayer

As part of the work the children are doing in RE with Kath, we would like them to bring into school any branches, leafy cuttings, flowers, windfall fruits etc. on Tuesday. The children will be making a Sukkah.

Skip2Bfit

Next Wednesday we are having a PE day in school. The children will be having their usual sports session with Mike Layfield, Mrs Sellers will be in school to do some other PE and we are having the Skip2Bfit leader in school too. Children will need to come dressed in their PE kit as usual but will NOT need to bring clothes to change into, they will be in PE kit all day.

Car seats / booster seats

If your child is taking part in an event during school time and they are travelling by staff car or car of a volunteer helper, please could you send their car seat in, if they normally use one. We do have 2 or 3 spare booster seats in school but obviously we realise some children use an actual seat with a back, rather than a booster. Thank you.

Music session Friday 19th October

Please could the children make sure their musical instruments are in school next Friday, just in case the cross country is cancelled and we remain at school. Thank you.

Money Sense Day

On Tuesday the 9th a special guest who worked in the NatWest bank came in to teach us about spending our money wisely. We were in groups of four and we were told we had to choose one of four people and we had to plan a party for them. We were given £150 to spend on the food, drinks, entertainment, venue and general supplies. The groups shared what they had spent and what they had for the party. Some people went over budget and others went under. We had a great time.

By Hannah Smith and Alice Cowton
