AWARDS:

Junior achievers: All key stage 2 children for making an excellent start to the spring term plus Amelie for an imaginative character description.

Chinese Day

On 11th February we will be visiting Melsonby School to take part in a Chinese Day. A reminder that slips requesting a Chinese lunch need to be returned by 25th January in order for the food to be ordered in advance.

Federation

A reminder that comments regarding the proposed federation should be returned by 20th February. Thank you.

Tag Rugby

Next Tuesday there is a tag rugby competition at Richmond. Those in the team were given a letter on Wednesday.

Creation club

Kath is continuing with her free after school Creation Club, on a Tuesday. This will run from 3.30pm – 4.45pm on alternate weeks, starting on Tuesday 29th January.

Forest Schools

Forest schools work will continue for the year 3 & 4 children on a Thursday afternoon.

AJ Academy

The children who attend the AJ Academy after school club have been very excited this week as they have been told their parts for their production of Toy Story. This will be performed for parents later in the term.

Science Transition

We have just booked the year 5 children in to do a science transition morning at Richmond Secondary School in February. Usually the year 6 children attend the session but this year it is aimed at the year 5 children instead. The morning is great fun as the children get to do hands on experiments using chemicals, something they do not have the chance to do at primary school.
