Miss Cheesbrough's achiever: Evan for working hard in maths

Head teacher's Award: Isaac Tate for being open to constructive advice in Literacy

NSPCC

The NSPCC came into school yesterday and did some work with the whole school on their national Speak Out, Stay Safe initiative. This was tailored to the age of the children, with Buddy the mascot helping the younger children.

Life Centre

We have just organised a whole school visit to the Life Centre in Newcastle, in May. The juniors will be taking part in a pirate workshop which concerns forces, which is the topic for this term. The infant children will be learning about plants.

Swimming

Well done to Nicholas and Wilf who successfully passed the National Curriculum requirement to swim 25m on both their back and their front, during our swimming session last week. We are aiming to get all of the children to this level and will then start to do water safety and survival skills with small groups.

School Health

The School Health team were here on Wednesday to do some measurements with the Reception and year 6 children. The reception children had their eyes tested at the same time. The Health team has stressed the importance of regular eye tests as once they have tested children in their Reception year, they do not do any further eye tests in school.

Forest Schools

A reminder that the year 3 & 4 children are continuing with their Forest School work on a Thursday afternoon. They should bring their warm, outdoor clothing and wellingtons or boots.

SAT's club

The SAT's club for year 6 children is proving extremely popular. We have had 100% attendance so far, which just goes to show how keen our year 6 pupils are to do well in their SAT's. Even though they have been working on lots of practice papers during the day, they still want to do more!! Fantastic!
