Bikeability

This week the year 5 & 6 children took part in Bikeability training. This involved supervised safe cycling on the roads around the school, learning how to correctly signal, manoeuvre and ride. Awareness of vehicles around, both moving and stationary, was also taught. All the children successfully completed their Level 2 Bikeability and received a badge and certificate as evidence.

PTA -Family Quiz night

Consent information

Attached to this newsletter is an information sheet regarding consents & communications. Please could you complete the form, indicating your choices and return the form to the school. Thank you.

Forest Schools

This week was the last forest schools session, for the year 3 & 4 children. They have thoroughly enjoyed their sessions with Dr Vasby-Burnie, on the area of land at the bottom of the playing field, learning about nature.

School Council

The School Council have seen some of their ideas come to fruition this week. They were concerned about the safety of the goal at the junior building so we have replaced it with a new one. They also requested a rota for tidying up after lunch and this has been implemented. In addition, each child now has their own named glue stick to be responsible for!

World Book Day

Thursday 7th March is World Book Day. We would like the children to dress up as a book character, and bring in the relevant book, where possible. If your child does not want to dress as a book character, then they should wear school uniform and not just casual clothes.

Science Transition
