Future Diary Dates

Monday 10th June – Firefighters collection 9am

Saturday 15th June – Village sports day

Don't Forget:

Signed reading records Monday (years 4, 5 & 6).

Waterproof coat with hood every day

PE kit to keep in school

Achievers:

Junior Achievers: Isaac & Wilf for a fascinating, informative and well-presented talk about their recent trip.

Infant Achiever: Harper for working hard in maths and literacy

Firefighter's collection

On Monday 10th of June we are having a collection of unwanted clothing, coats, paired shoes, underwear, belts and bags. These should be left outside the junior building from 9.00am. The more we collect, the more money the school earns, so this is an ideal time for a clear out!

Lego Brickmasters

On Tuesday some of the junior children took part in a Lego Brickmasters competition at Richmond School. They had a great time. One group had to write a story and then design a Lego set of characters and props to accompany it. The other group built a robot with a motor, and then programmed it to push Lego pieces out of a designated area. The children penned a story based on our marble jar which they have to fill in order to gain a treat (true story). In the story, they decided that the treat was a balloon ride that went wrong and accidentally picked up the school, flew so high that it touched the sun and burst due to the heat and then the school ended up broken on the ground. Let's hope their real treat is something safer!

School dinners

Please, please make sure that if your child is having packed lunch that they don't forget to bring it to school. This could result in some children not having the meal they had chosen. Luckily Michelle does go over and above what is expected and does cook extra dinners but she does not have to.

Sports at Richmond

Some of the children took part in mini –tennis and multi-skills at Richmond Cricket Club today. The weather stayed fine and they had great fun in the sun. They worked extremely well as a team and did their best.

Rugby sessions

The junior children started a 6 week block of rugby sessions with Mowden Park Rugby Club yesterday. Some of the children seemed a little surprised to find that the instructor was female but she was excellent with the children and a great coach.

Forest schools

Forest schools will begin on a Tuesday afternoon after half term, for year 5 & 6 children. Please make sure they have old, outdoor, warm clothing with them.
