Signed reading records Monday (years 4, 5 & 6).

**Waterproof coat with hood every day**

PE kit to keep in school

## AWARDS:

**Achievers: Toby** for a beautiful, detailed drawing of a plant

**Alice & Callum** for writing a great balanced argument

## Village Sports Day

Village Sports Day is this Saturday. Games start at 1pm on the playing field, or, if it is raining, in the Village Hall. Please do come along and support this village tradition.

Please see attached programme for further details.

## Thursday afternoons

Years 3, 4, 5 & 6 will be doing rugby **every Thursday** until the end of term. Please make sure they have red shorts, white t-shirt, and trainers with them and a waterproof coat.

They should also bring a sun hat.

## 24 maths challenge

Four of our children took part in a 24 maths challenge at Richmond School this morning. We have practiced a little in school, which made the children realise the importance of knowing their times tables. They played extremely well against some tough competition.

## Payments to school

A gentle reminder that we would like all outstanding payments cleared by the end of term. Thank you.

## Kingswood

Please find attached suggested kit list for Kingswood. If there are any queries, please do not hesitate to ask.

## Sponsored Cycle Ride

Please find attached a sponsor form for the forthcoming cycle ride on 28<sup>th</sup> June. This is a hugely popular event, when everybody can take part. If participants do not want to cycle, they can walk / jog / run etc. This is a great fundraiser for the school for very little effort.

## Sports Day

Our annual Sports Day is on 24<sup>th</sup> June, at 1.30pm on the playing field. Please come along and cheer the children on as this encourages them more. Hopefully the weather will stay fine but if not, we have a reserve day of 1<sup>st</sup> July pencilled in the diary.

However, we really do not want to have to wait till 1<sup>st</sup> July as this is year 6 surprise day so there will be no year 6's and we will be two members of staff down!!

### **Mini-businesses**

All the children should have now decided on a mini-business venture on the theme of NO NEW PLASTICS ALLOWED. The idea is that they are given £5 to set up their mini-business and then make and sell a product or service to customers. All profits are then given back to the school to be spent on something the children have decided we need. Most of the preparation should be done at home although the children will have some time in school to make advertising posters etc. Some of the children are working individually whilst others have decided to work in groups of two or three. In this instance, the group will get £5 and not the individual. The mini-businesses will be open on the morning of Wednesday 3<sup>rd</sup> July for the community to visit.

### **Help requested please**

If anybody has any old books, small buttons or paper bags, we would be most grateful if you could send them in to school. Some of the children have requested them for their mini-businesses. Thank you.

### **Summer Fair**

The junior children will be running stalls at the Summer Fair, to be held on the afternoon of 3<sup>rd</sup> July. Again they can work as individuals or in small groups, on a stall of their choice. The fair will be open to the community from 2.30pm and the infant children will also be able to visit with their class teacher. We would be most grateful of raffle / tombola prizes and bottles for a bottle stall – this can be anything at all in a bottle. Donations of cakes would be appreciated too. We do understand that sometimes it seems we rely on your help a lot and we do realise that parents are busy but your generosity is greatly appreciated. Thank you.
