Head Teacher's Award: Amelie for perseverance in problem solving in maths.

Messages to school

A reminder that although Facebook is a good platform for us to advertise events and keep parents up to date with what is going on in school, the correct and official method of communication to school is via the office, either by email, text or telephone call. This includes illnesses, holidays from school, lunch information, breakfast club and after school club bookings and any general queries or questions etc. etc. Texts should be sent via the school text messaging system and not to individual members of staff.

Florence Nightingale morning

Next Tuesday, the Reception children, year 1 & year 2 children will be going to Melsonby School for the morning to do some joint work about Florence Nightingale.

They will be travelling by staff car, with Miss Cheesbrough or Mrs Morrice and staying for lunch.

SATs Club

We are running a free SAT's club after school on a Wednesday, from 3.30pm until 4.30pm. This is a voluntary club but we would like all year 6's to attend if at all possible.

Mr Linsley

The children and staff would like to say a huge welcome to Mr Linsley. He will be working as interim Executive Headteacher of our school and Melsonby Methodist Primary School, whilst continuing his headship at Alverton Community Primary School. We hope Mr Linsley enjoys his time spent with us and everybody is looking forward to working with him.

Curriculum

Please find attached information giving details of what the children will be doing in class during the spring term. The information is quite straightforward but if you have any questions or queries, please do not hesitate to ask.

Robinwood

Please find attached a leaflet giving further information about our junior residential to Robinwood in June. Again, if you have any questions, please ask at the office.
