

Newsletter Friday 26th June 2020

Junior uniform

The current year 2 children will need a school tie, for when they join the junior class in September. These are available now from the school office, priced at £4.00. They will also require a white shirt, rather than a polo shirt.

Newly designed playgrounds

Both playgrounds have been re-marked this week, with a range of fun yet educational designs. The infant playground can be seen on our school Facebook page and this is the junior playground. The children were so excited that they wanted to eat their lunch in the mezzanine classroom so they could watch the men at work out of the window!

Shout out!

A huge well done to Rose, Evan, Sophia and Mia for doing such a great job on their work on Seesaw. Also a massive shout out to Connell for being such a gentleman opening the door and gate for Connie each day, without prompting, when she delivers our lunches.

School Reports

Reports are being sent out on Monday 6th July. They will be hand delivered to those who live locally but are not in school. Those living further afield will have theirs posted.

Payments to school

A reminder that we would like on-line payments as up to date as possible by the end of term, in order to start afresh in September. Thank you for your help with this.

Children in school

Please could the children bring a sun hat every day, now that the warmer weather is with us. We are spending longer outside and do try as much as possible to stay in the shade but this is not always possible. They should also make sure they have a water bottle with them.

Lunch choices

Please could those that have not chosen lunches yet for next week please hand their choices in TO MRS HUGHES IN THE OFFICE. They should NOT be handed to the class teacher as this disrupts the lesson when telephone calls need to be made between the two buildings to establish choices. Thank you.
