Parent's afternoon/evening

Thank you to all for your patience during our parent's afternoon/evening telephone calls. The system worked remarkably well, considering a number of parents were working home and had work calls and zoom meetings to attend whilst fitting in a phone call from the class teacher. Hopefully by the end of today we should have spoken to everybody – if we have not managed to contact you and you still wish to speak to the class teacher, please let the office know.

Open afternoon

We have rescheduled our Open Afternoons. These will now be held on Monday 7th December & Wednesday 9th December, from 2pm – 4.30pm. If you know of anybody who would be interested in looking around the school, we would be grateful if you could let them know. They should telephone the office to make an appointment.

Road Safety Presentation

On Thursday we will be watching a Road Safety Presentation, by Richmond Fire Service. This would normally be done in school but due to the current restrictions, it will be done on-line.

Breakfast & After school clubs

A reminder that children should be booked in, in advance, for the breakfast and after school clubs. If your child is booked in and then you need to cancel, please let us know beforehand.

Remembrance

Key stage two children have been learning about the importance of Remembrance Day, this week. Two of the children have written this piece below.

Remembrance 11th November 2020

The whole school observed 2 minutes silence by the village war memorial. We read two poems in guided reading that were connected to the war. One of the poems was called In Flanders Fields by John McCrae and the other We Shall Keep the Faith by Moina Michael. Mr Lowther, our caretaker, sent some photos of the trenches that he visited, and some information boards about John McCrae and where McCrae wrote his poem in 1915.

By Freya and Wilf

Lucas has been watching a video about World War 1 and had some interesting information that he wanted to share:

When the soldiers went across the trenches, they were whistled over by their commander. There were caring stations which had grass on the roof. They were tiny with just a bed and basic medical supplies.
