**Friday 1<sup>st</sup> July 2022**

Dear Parents and Carers,

It is that time of year again with lots of sport taking place across the country. We have seen the beginning of Wimbledon and are yet to look forward to the Commonwealth Games later this month.

Tying in with this, our communities were getting very active last weekend. The children at North and South Cowton enjoyed their sponsored bike ride on Friday evening whilst the children of Melsonby spent their Saturday afternoon competing in the annual village sports day.

We are really pleased to announce that North and South Cowton have just received the School Games Gold Award in recognition of all of their participation in sporting activities this year and the number of sporting competitions attended. A huge well done!

Kind Regards,

Mrs Robinson

## Federation Notices and Dates

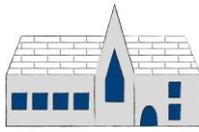

This week, the children at North and South Cowton enjoyed a visit from our local PCSOs, who delivered a session on Online Safety. Melsonby Class 2 are looking forward to their visit next week.

## Book Recommendation

Once again, we would like to ask for any children and parents to please send their book recommendations into us. We would like to purchase some new books for September for our school libraries and would love to hear about any books that you have recently read or shared at home that you think would be a great addition to our school libraries.

Please get in touch with your favourites!

## News from Melsonby

Class 1 children have continued to enjoy their Forest School session led by Mrs. Goodman. This week, the children were working together to build their own shelters in small teams. Collaboration was key to this success and it was wonderful to see the children problem solving together.

### **Achievement** **Class 1 – Evie**

Evie has been working incredibly hard in all areas of her learning. We are not only impressed with her positive attitude (and beautiful smile that comes with this) but also the progress she is making. Well done Evie!

### **Values-**

#### **Class 2 – Laurence**

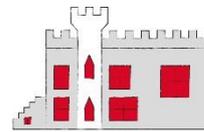

For some fantastic work in English and Maths this week. Laurence has been making great links between current learning and learning from earlier in the year. Making these connections has enabled him to develop a really secure understanding of key concepts. Well done Laurence!

## Deadlines and Reminders

Please could all children remember a hat and sun cream now that the weather is warmer.

## News from North and South Cowton

More sporting success this week for one of our Year 5 children who won an award for 'Players Player' last weekend. The children on his team voted for him for being the most supportive team member. Something to be very proud of. Well done!

### **Achievement and Values** **Class 2- Evan**

For showing such genuine kindness and pride in the achievements of his friends. Evan is always the first to celebrate the successes of others and congratulate them on these. This week, Evan had some fantastic success of his own too, scoring 100/100 on his Times Tables Rockstars. We are all very proud of you Evan and the positivity you bring to our school every day. Well done!

## Deadlines and Reminders

Please could all children remember a hat/ sun cream and a drink every day, now that the weather is warmer.
