**Friday 8<sup>th</sup> July 2022**

Dear Parents and Carers,

This week, we held the last of our transition days for our new reception children.

On Monday at North and South Cowton, the children had a wonderful time exploring the outdoors. After sharing the story 'The Pirate Cruncher', the boys had a great time constructing their own pirate ship and walking the plank.

On Thursday, our new reception starters at Melsonby, enjoyed working alongside the rest of their new class to create their own self-portraits. They loved exploring the different colours and textures.

We look forward to seeing more of their creations in September!

Have a lovely weekend and enjoy the sunny weather!

Kind Regards,

Mrs Robinson

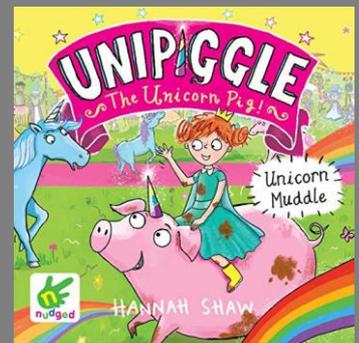

**Federation Notices and Dates**

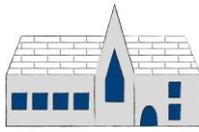

We are in the process of finalising After School Activities for September and would love for children to join these once again. Please look out for surveys coming home which include a range of suggested activities from the children. The more children that are able to attend, the wider the range of activities we are able to offer.

Thank you for your continued support with this.

**Book Recommendation**

Pippa from Class 1 at Melsonby is recommending 'Unpiggle: The Unicorn Pig' by Hannah Shaw. This is a series of books which Pippa loves.

## News from Melsonby

During Collective Worship this term, we have been thinking about the value of respect and looking at this through sportsmen and women and their behaviours towards one another. This has helped us to reflect on our own behaviours and consider how we can make a positive difference to the feelings of others.

On Friday afternoon, the children enjoyed putting all of their respect and sporting skills into practise at their Sports Afternoon. The weather was certainly once again on our side, as it was last year! We were so impressed by the children's teamwork throughout the afternoon and their perseverance with the heat. A huge well done to everyone!

### Achievement

#### Class 1 – Jack

This week, Jack has been showing kindness to our new starters. He has gone out of his way to look after them, show them around and school and make sure they were included in games. Well done Jack!

### Values-

#### Class 2 – Eddie

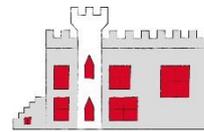

Eddie is receiving the values award this week firstly for the respect that he always shows and secondly, for the extremely mature approach he has had during PSHE this week. Eddie has shown great respect when discussing learning with the other children, understanding difference and listening to their viewpoints.

## Deadlines and Reminders

Please could all children remember a hat and sun cream now that the weather is warmer.

## Dates for your Diaries

**Tuesday 12<sup>th</sup> July** – KS2 - Colour Run at Richmond  
**Friday 15<sup>th</sup> July** – Reports out to parents

## News from North and South Cowton

This week, Class 1 have been learning all about capacity in their maths. Using different size containers, they were measuring the different capacities, reading the scales of the containers in 2's, 5's and 10's. A perfect activity outdoors for the hot weather!

### Achievement and Values

#### Class 1- Erin

For showing perseverance in her Art and D.T learning this week. Whilst the children found sewing quite fiddly and tricky, Erin persevered with this to produce her own textile of the Lindisfarne raids by the Vikings.

#### Class 2- Rose

Rose has continued to impress us in and out of class. This week, she shared her three trophies with us which recognised her achievements on the pitch and as a key part of her team. Well done Rose!

## Deadlines and Reminders

Please could all children remember a hat/ sun cream and a drink every day, now that the weather is warmer.

A gentle reminder that the school opens at 8.40am for an 8.45am start. If your child needs to be at school before 8.40am, please book them in to breakfast club.
