Dear Parent and Carers,

What a busy first term of the school year it has been!

We have had an exciting final week of term, having the opportunity to get together for our Harvest services at each of our schools. The performances were excellent and we were extremely proud of all of the children and the confidence they displayed during these.

We would like to take the opportunity to thank everyone that contributed to the Harvest services by sending donations for the food bank.

We hope that you have a restful half term and look forward to seeing you after the holidays!

Ian Hobbs

In our science learning this week, class 1 have been exploring weather patterns. We made our own Wind Socks and Rain Gauges and we are looking forward to measuring the rainfall after half term.

Class 1 Achievement – Emelia for a fantastic attitude towards her science learning. Emelia enjoyed identifying the correct clothing to ack for the various weather types. Well Done Emelia.

Class 1 Values – Harry – For being such a kind, gentle and thoughtful person around whoever he meets. Well Done Harry!

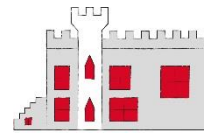

Class 2

This week in class 2 we have had lots to do in the lead up to half term - practising our harvest festival, going to see a show at Hullabaloo, and wrapping up our stone age diaries has kept us busy right to the end. The children have worked incredibly hard in everything we have done up till now and have earned a lovely rest over the next week.

Our achievement award this week goes to Harriet Davison, for an excellent piece of writing in English; she has taken huge amounts of care when writing and thought long and hard about where her diary was heading. She should be very proud of the work she has achieved
Well done, Harriet!
